

## Color Scheme Example

```
for i in range(1, 100):  
    if i % 3 is 0 and i % 5 is 0:  
        print("Fizz Buzz!")  
    elif i % 3 is 0:  
        print("Fizz!")  
    elif i % 5 is 0:  
        print("Buzz!")  
    else:  
        print(i)
```
